Dear Camper and Parents:

We here at North Laurel believe that camps should be educational, developmental, and fun. We will emphasize shooting, rebounding, ball handling, passing, defense, and a strong foundation of fundamentals. All aspects of the great game of basketball will be addressed through stations, half-court games, lectures, competition, etc. We think you will find our camp the best for your development and money.

Youth camp will be a day camp and directed to the needs of the younger player, ages 6 to 12. Basic fundamentals, individual instruction and camp games will be the main emphasis. The camp experience will include not only physical development, but also the mental aspects of the game. Confidence, concentration, and discipline are three areas we stress during the week.

Our camp will be demanding, but that's what it takes to excel. We really want you to enjoy your camp, so we try to combine hard work and learning with a lot of fun.

We hope that you will strongly consider attending our camp. Our goal is to expose you to the skills that are essential to your development and ways to improve on those skills. Attending camp is an investment in your future as a player.

Best wishes and we hope to see you JUNE 6th-8th

Eddie Mahan
Head Girls Basketball Coach
